"Successful fund raising is the result of insight, motivation, and attention to detail."

. . . Hank Brandt, President

INSIGHT

Our 29 years of continuous experience provide clients with the insight necessary to meet their financial challenges through our analysis and knowledge of financial objectives in relation to the capabilities of potential contributors.

By developing a program exclusively for each client, we establish a close rapport with the sponsoring organization and help prospective donors to identify with the needs and aims of the appeal seeking their support.

MOTIVATION

The key to successful fund raising is motivation. It is the hallmark of every campaign conducted by Hank Brandt Associates.

People must have a good reason for giving. Motivating them to give, and to give generously, is part of the responsibility of the professional fund raiser. In every appeal, we seek to provide objective yet personal direction for both clergy and laity.

ATTENTION TO DETAIL

The long term success of any fund raising campaign is directly related to attention to detail. From the post analysis of giving levels and participation to the formation of follow-up committees and carefully planned systems for the collection of deferred giving, Hank Brandt Associates continues to provide clients with expertise long after the actual campaign is concluded.

Whatever the financial needs, whether for annual diocesan appeals, capital funds for new construction, or increased income from weekly collections, call on us for professional guidance. Names and addresses of satisfied clients are available upon request.

Why is RESTORATION The KEY to Many Church Budgets?

St. Joseph's Church—Topeka, Kansas

Obviously there are many reasons, including location and finances, why churches have to stay where they are...can't be replaced...must be retained.

Just as obviously, a proper restoration program not only improves the building's appearance and adds longer useful life to it, it also improves community and membership pride in the church.

Our job...and we've been successful at it for more than **40** years...is providing a restoration program that has won us a host of church friends. It includes:

ALL TYPES OF BUILDING CLEANING
TUCKPOINTING & WATERPROOFING
CAULKING · STEEPLE WORK
INTERIOR & EXTERIOR PAINTING
DECK COATING · EPOXY GROUTING
MEMBRANE ROOFING
DEFERRED PAYMENT PLAN
GUARANTEED WORK

Help bring the world together, one friendship at a time.

American business people have traditionally led the way in opening lines of communication with other nations.

Now, International Youth Exchange, a Presidential Initiative for peace, offers a unique opportunity for personal contact with a teenager from another country.

These youngsters, 15-19, will live for a time with American families like yours and attend American schools. The goal: to build bridges of understanding between the next generation of world leaders. To help bring the world together, one friendship at a time.

Volunteer host families from all segments of American society are being selected. If you'd like to be one of them, send for more information.
